

# ABOUT COLLEGE GOLF FELLOWSHIP

CGF exists to make disciples by investing relationally with the Gospel of Jesus Christ throughout the world of college golf. Since 1980, CGF has been the only organization with the primary purpose of ministering to the collegiate golf world and have seen countless lives transformed by the Gospel. Here is just one testimony of a college golfer impacted by CGF:

"During college, I got caught up with excessive drinking and drug use and had thoughts of suicide. After meeting a CGF Staff Minister, I got into a recovery program and learned to trust Jesus for everything. I have now been clean and sober for over a year, but more importantly, I have a growing relationship with Jesus Christ. I am so thankful for this ministry. It has truly changed my life!"

## COLLEGE GOLF FELLOWSHIP

30-BY-30 STAFF  
EXPANSION PROGRAM

# CURRENT MINISTRY

CGF employs 20 full time staff ministers who reach out to schools in their region, developing relationships and sharing the good news of Christ. This is done by:

- ✓ Annual Tournament Visits
- ✓ Quarterly Outreach Events
- ✓ Monthly Team Visits & Retreats
- ✓ Bi-Weekly Bible Studies
- ✓ Weekly Discipleship

One CGF staff minister can invest relationally in 30 teams, which means one staff can give 500 individuals the opportunity to respond to the Gospel and provide discipleship annually.

# THE PROBLEM: STAFFING SHORTFALL

There are currently over 1,200 college golf teams in the nation and given CGF's current staff size and bandwidth, we are only effectively reaching 570 of those teams. This means only 47% of the 18,000 total college golfers are ministered to, leaving nearly 10,000 each year with no opportunity to be exposed to the Gospel or disciplined in their faith.

Hiring 30 staff by 2030 would guarantee that CGF has a presence at all 1,200+ golf programs in the nation, reaching nearly 18,000 students annually with the Gospel of Jesus Christ

## THE SOLUTION: 30-BY-30 STAFF EXPANSION PROGRAM

In order to effectively reach all the college golf teams with the Gospel of Jesus Christ, we need 40 total staff ministers spread across the nation. Taking into account managerial promotion and natural turnover, we need to hire 30 new staff ministers by 2030 thereby creating our 30-BY-30 STAFF EXPANSION PROGRAM.

Typically, parachurch ministries require new staff ministers to raise 100% of their salary and ministry budget before they come on staff. Our Expansion Program calls for the development of a Staff Expansion Fund (SEF) that would provide initial funding for new staff ministers, as they raise their salary and budget progressively over a 3-year period.

## 30-BY-30 FUNDING

Each new staff minister would be responsible for raising an increased percentage of their funds each year, with the SEF covering the residual. By the third year, each new staff position should be fully funded and self-sustaining. This plan calls for the hiring of three new staff ministers per year. In order to fund this plan at this hiring rate, we need to raise \$3 million dollars by 2030 or \$300,000 annually.
